Dear Kathleen

It is with great pleasure that we thank you for your company's very generous donation of dental instruments for our recent trip to Paraguay and Brazil.

We were able to use so many of the instruments you had provided. There was a team of five dentists so these instruments were well used amongst the group. The patients were very poor and in great need of dental care. It was a pleasure to treat them and see their happiness and appreciation with our efforts.

Without companies such as yours with very generous hearts, volunteers would not be able to participate in such events around the globe.

Hopefully you will enjoy the enclosed photos. Great kindnesses such as your company's are long remembered. Thank you all so much.

Sincerely  
Marian Davidson for  
Dr. Vivian Boyd.
